FINDING COMFORT...

Vincent Sheppard has been designing and manufacturing indoor and outdoor furniture with exceptional seating comfort since 1992. The company is worldwide market leader in Lloyd Loom furniture, a technique where kraft paper is twisted around a metal wire and woven into unique furniture pieces.

By constantly challenging itself and its design aesthetics, Vincent Sheppard is able to present young, contemporary furniture collections that answer to all modern needs. We combine a clear focus on quality and comfort with craftsmanship and an age-old technique, and translate these ingredients into qualitative, durable and appealing designs. With a wide variety of indoor as well as outdoor pieces of high quality, Vincent Sheppard is a favourite of many interior aficionados.

- **Safety:**
A fire-retardant treatment of the Lloyd Loom weave is possible at an additional surcharge of 10%. To be specified on the order. Fire-retardant treatment of cushions requires a 15% surcharge. Glass tops are always in 6/8 mm thick hardened glass with polished edges and rounded corners.

SERVICE

For project use, the guarantee can be extended to the normal domestic guarantee, depending on the kind of use. This will be confirmed in writing by Vincent Sheppard.

Exemptions for guarantee:

- Any damage arising from insufficient care, or from non-compliance with the supplied instructions and advice for maintaining and storing the furniture.
- Natural fading.
- Natural evolution of the wood used.
- Any modifications made to the furniture voids the guarantee.

All of our products have been manufactured, packed and transported with care. If however you see, when receiving the goods, that they don't fulfil the standard quality, please bear this guidelines in mind:

- **Transport damage:** needs to be written immediately and in detail on the CMR document. Complaints on transport damage will not be accepted if they are not mentioned on the CMR document!

GENERAL SALES CONDITIONS

1. Only our own sales conditions are applicable, to the exclusion of the clauses and conditions on letters or documents of our customers. The placing of an order automatically presumes the consent of the customer regarding our sales conditions.
2. The liability for the shipped goods is always to the account of the buyer. Once the order has been confirmed, the buyer bears the risk of damage, destruction and loss. In case of transport damage, defects or non-conform deliveries, complaints will only be accepted if we are informed about them by registered letter within 5 days of delivery. Any other form of protest shall not be considered.
3. The delivery terms given by us are purely informative and any eventual delay in delivery will not result in any form of compensation, nor in annulment of the contract. If the delivery is hindered by force majeure or is extremely affected, the seller has the right to adjust the agreement to the circumstances, or to break the contract. The buyer explicitly renounces any right to compensation.
4. Barring any other written agreement, every contract is entered with cash payment at our registered office, without discount. All encashment and protest charges for bills of exchange are to the account of the buyer. The drawing of a bill of exchange never counts as novation.
5. If Vincent Sheppard is obliged to demand payment by registered mail, administrative expenses of € 25 will be charged.
6. In case of complete or partial non-payment at the due date the amount of the invoices shall legally and without any previous proof of default be increased with:
 - An annuity of 12% from the due date of the invoices in question.
 - Fixed compensation to the extent of 10%, with a minimum of € 125 and a maximum of € 2.000, even if respite has been given.
7. Non-payment of an invoice at the due date implies that all due invoices are on call. Any kind of complaint cannot be called upon by the buyer as a reason for suspension or postponement of payment.
8. In all cases, our liability is restricted to the purchase price of the supplied goods. The parties explicitly agree that any other damage is excluded.
9. Legal relations between Vincent Sheppard and the buyer are governed by Belgian law. In the event of legal proceedings, the courts of Kortrijk have sole jurisdiction.
10. As long as the supplied goods are not paid for, they remain the property of the seller. The buyer commits himself not to sell the goods to a third party nor to apply them as security as long as they are the property of the seller. If this prohibition is not observed, the buyer shall be charged with a fixed compensation of 50% of the selling price. If the goods are then sold, the resulting selling price shall be considered instead of the supplied goods.
